

With Oxyfresh Dental Gels, You'll Be Smiling

Condition, soothe and deodorize your gums with refreshing Dental Gels from Oxyfresh.

Oxyfresh Super Relief and Fluoride Gels have Oxygene®, Oxyfresh's proprietary odor-fighter, plus Aloe Vera and Chamomile to help heal and condition oral wounds, abrasions and irritated gums when applied liberally to affected areas.

Oxyfresh's exclusive Super Relief Formula now has stronger healing power with the addition of Tea Tree Oil and Folic Acid. And we have added a super-fresh wintergreen flavor. Also new to this formula is Oxyfresh's patented odor-eliminating combination of zinc and Oxygene®. The addition of zinc promotes fresh breath like never before!

Oxyfresh Dental Gels do much more than soothe, heal and deodorize your gums. You can also use these incredible Gels to:

- **Help soothe irritated gums**
- **Help eliminate canker sores**
- **Speed healing of cuts and scrapes**

Experience the benefits of Oxyfresh Dental Gels. Your mouth will thank you!

Super Relief Formula Dental Gel is available in 4-ounce (stock #205)

Fluoride Dental Gel is available in 4-ounce (stock #260)

Oxidizing Gel is available in 1-ounce 12-packs (stock #705)

* **Oxidizing Gel** is also packaged as All-Purpose Gel in the Personal Care line. It's perfect for soothing cuts, scrapes and other irritations on the entire body. Available in 4-ounce (stock #225)

DENTAL GELS

"I have been using and recommending Oxyfresh's Dental Gels to my patients for more than a decade. It instantly helps to soothe oral ulcers and gingival irritations, resulting in faster healing time and less discomfort."

RICHARD GLICK, DDS
Cranston, Rhode Island

It's not *just* what we make, it's what we make possible.

Fluoride Dental Gel

Active Ingredients

Sodium Fluoride – prevents tooth decay (anti-caries)

Botanical Ingredients

Aloe Barbadensis Gel (Aloe Vera) – soothes and promotes healing

Carrageenan (Chondrus Crispus) – binder, emulsion stabilizer, viscosity controlling agent

Matricaria Extract (Chamomilla Recutita) – soothes inflammation

Spearmint Oil (Mentha Viridis) – soothes irritation, relieves itching, aromatic effects, natural flavoring

Other Ingredients

Methylparaben – FDA-approved preservative; extends shelf life

Propylparaben – FDA-approved preservative; extends shelf life

Sodium Chlorite (Oxygene® – stabilized chlorine dioxide) – oxidizes volatile sulfur compounds, eliminates oral odors, anti-plaque and anti-calculus activity, disinfectant properties

Xylitol – sugar-free sweetener/flavoring agent, reduces risk of tooth decay (anti-caries)

Super Relief Formula

Botanical Ingredients

Aloe Barbadensis Gel (Aloe Vera) – soothes and promotes healing

Carrageenan (Chondrus Crispus) – binder, emulsion stabilizer, viscosity controlling agent

Matricaria Extract (Chamomilla Recutita) – soothes inflammation

Tea Tree Oil (Melaleuca alternifolia) – works as an antiseptic, a fungicide, and a mild solvent

Other Ingredients

Methylparaben – FDA-approved preservative; extends shelf life

Propylparaben – FDA-approved preservative; extends shelf life

Sodium Chlorite (Oxygene® – stabilized chlorine dioxide) – oxidizes volatile sulfur compounds, eliminates oral odors, anti-plaque and anti-calculus activity, disinfectant properties

Folic Acid – folic acid is a B vitamin. It is used in our bodies to make new cells

Zinc – increases odor-fighting effectiveness of Oxygene®
