

## LIFE'S ABUNDANCE®

premium health food for puppies and adult dogs

## THE TRUTH ABOUT PET FOOD

For the most part, your dog eats the same food every day. That's why the brand of food you feed is so important. It is your dog's main source of nutrition, which is vital to a long and healthy life.

Although you may think that pet food manufacturers have your dog's best interests in mind when formulating their products, this is not always the case. Current pet food regulations allow manufacturers to use ingredients that you would never knowingly feed your pet. In fact, you may be shocked to learn what some brands of pet food really contain. Many foods include by-products like feet, bones and intestines, chemical preservatives like BHA and BHT, and grains like corn, wheat, gluten and soy, which are used as a protein source but are often difficult to digest. All of these ingredients can put unnecessary stress on your pet's system and can lead to diminished overall health.

It's important to look past attractive labels and clever marketing ploys when deciding which food to provide your precious pet.

## WHY IS LIFE'S ABUNDANCE BETTER?

HealthyPetNet does not use by-products or inferior grains in Life's Abundance Premium Health Food for Dogs. Our food contains no chemical additives or preservatives, both of which are known to be harmful. We don't add flavor enhancers or coloring to replace what high-temperature cooking can destroy. All that you'll find in Life's Abundance is natural goodness in a superior food product that is formulated to promote good health.

## DOES ALL THIS MAKE A DIFFERENCE?

You bet it does. We take great pride in providing your dog with the finest quality foods. At HealthyPetNet, we're unusually careful about every single ingredient that goes into our foods. We prepare Life's Abundance using only the freshest human-quality foods from carefully selected farmers and growers combined with high quality extras such as proteinated minerals, vitamins, antioxidants and bacteria cultures known to have a beneficial effect on the health and well-being of our furry friends.

- **Dedication to Excellence ...** Although we do not use inferior ingredients in Life's Abundance, a truly exceptional dog food is much more than what you leave out, it's also about the ingredients you put in the food, and how the food is made.
- **Veterinarian Formulated ...** Life's Abundance is formulated by Dr. Jane Bicks, a highly respected and nationally recognized holistic veterinarian.
- **Qualify & Freshness ...** Life's Abundance is always made with fresh ingredients, which gives your pet the best quality possible. We use our exclusive "fast-cook" process to preserve the fresh taste of natural foods. This technique maintains natural flavors and nutritional value better than those found in many store-bought products. In addition, we use a blend of natural antioxidants to help our food stay fresh, as well as to help your dog to maintain a healthy immune system. To ensure that you get the freshest food possible, we make our food in small, frequent batches.
- **Safety & Quality Control ...** Our manufacturer is APHIS-certified to sell pet food in the European market, which has more stringent regulations than the U.S.

## LIFE'S ABUNDANCE®

premium health food for puppies and adult dogs

Life's Abundance is scientifically balanced to support your dog's overall health. We never add a speck of artificial flavors, colors, processed sugars, or chemical preservatives such as BHA, BHT, sulfur dioxide, sorbates, or benzoates. So it's just as natural and deliciously wholesome as if you'd made it yourself.

## WHOLESOME INGREDIENTS

- Premium, All-Natural Chicken Meal, Catfish Meal, and Eggs provide high quality, easily-digested animal protein to support strong muscles, healthy organs and overall health.
- Chicken Fat, Catfish Meal, Flaxseed Meal, and Eggs provide a natural balance of Omega-3 and Omega-6 fatty acids to promote healthy skin and a shiny coat.
- Whole Brown Rice provides an excellent source of highly digestible carbohydrates for short-term energy and dietary fiber that is gentle on the stomach.
- Fresh Vegetables and Fruit provide natural plant phytonutrients, antioxidants, vitamins, minerals and potent bioflavonoids that help support an active immune system.
- Grapeseed Extract is a natural preservative as well as a concentrated antioxidant.
- Beet Fiber, Brewers Yeast and Natural Bacteria Cultures help the digestive system work at peak efficiency, allowing your pet to get even more nutrition from our wholesome food.
- Natural DHA and EPA help support good vision, a strong heart and healthy central nervous system.
- Free from Artificial Colors, Flavors and Preservatives. Contains a blend of natural antioxidants helping to maintain a healthy immune system as well as keeping Life's Abundance stay fresh for longer.

## SERVING SIZE

Approx Body Wt	Suggested Daily Serving	8 Lb Bag	20 Lb Bag	40 Lb Bag
3 - 10	1/4 to 2/3 cup	64 - 48	320 - 120	640 - 240
10 - 20	2/3 to 1 cup	48 - 32	120 - 80	240 - 160
20 - 30	1 to 1 1/2 cups	32 - 21	80 - 53	160 - 107
30 - 40	1 1/2 to 1 3/4 cups	21 - 20	53 - 46	107 - 91
40 - 60	1 3/4 to 2 1/2 cups	>20	46-32	91 - 64
60 - 80	2 1/2 to 3 cups	>15	32 - 27	64 - 53
80 - 100	3 to 3 1/2 cups	>15	27 - 23	53 - 46
Over 100	3 1/2 cups +	>10	23 - 21	46 - 42

1/3 cup for each 10 lbs of weight over 100 lbs

**PUPPY FEEDING INSTRUCTIONS:** When ready to eat solid food, begin feeding moistened kibble and "free feed" until fully weaned, between 6-8 weeks old. After weaning, feed the "Suggested Daily Amount" of dry kibble according to weight and add at least 25% more. Individual Meal Feeding: From 9 weeks to 4 months, divide the daily amount and feed 3-4 meals in a 24 hour period. From 4-6 months, divide the daily amount and feed 2-3 meals in a 24 hour period. Free Feed: Measure the entire daily amount into a dish and allow your puppy to eat at will over the course of a 24 hour period. This type of feeding may lead to obesity. Food requirements will vary for each puppy.

## INGREDIENTS

Chicken Meal, Ground Brown Rice, Potato Product, Chicken Fat (Preserved with Natural Mixed Tocopherols (Vitamin E)), Dried Beet Pulp, Brewers Dried Yeast, Natural Flavors, Flax Seed Meal, Egg Product, Catfish Meal, Salt, Calcium Carbonate, Potassium Chloride, L-Lysine, Carrots, Apples, Canola Oil, Alfalfa Leaf Meal, Celery, Lactobacillus Acidophilus Fermentation Product, Lactobacillus Casei Fermentation Product, Bifido Bacterium Fermentation Product, Enterococcus Faecium Fermentation Product, Aspergillus Oryzae Fermentation Product, Spinach, Grape Seed Extract, Vitamin E Supplement, Ascorbic Acid, Biotin, Niacin Supplement, d-Calcium Pantothenate, Vitamin A Acetate, Riboflavin Supplement, Vitamin B12 Supplement, Thiamine Mononitrate, Pyridoxine Hydrochloride, Citric Acid, Vitamin D3 Supplement, Folic Acid, Ferrous Sulfate, Zinc Sulfate, Zinc Proteinate, Iron Proteinate, Zinc Oxide, Copper Sulfate, Manganese Sulfate, Manganese Proteinate, Copper Proteinate, Manganous Oxide, Selenium Yeast, Calcium Iodate.
