

# REAL ENERGY, NO BULL

Like a genie in a bottle, Primorye OTG's restorative power wants freedom to perform. Open an OTG (On The Go) and its natural herbs and vitamins will unlock in you a balanced and lasting energy far superior to caffeine's jittery short-term rush.

## OTG'S SECRET? NATURE'S ADAPTOGENS

Adaptogens replace caffeine, sugar and carbs and offer enduring reinforcement to focus, strength and composure. Add generous helpings of B vitamins and amino acids and OTG is unmatched among energy drinks.
